**Speaker: Atiq Sediqi**  
**Small Business and Environmental Assistance Division**  
**Pollution prevention and Industry Assistance Section**

#### **Scope of Presentation:**

Mission of the TCEQ

How the Clean Texas Cleaner World program helps the mission

Process and levels of participation in CTCW program

Incentive provided to members of CTCW

Atiq Sediqi received his Bachelor of Science and Master of Science degrees in Mining Engineering from Saint Petersburg Mining Institute and his Master of Public Health (M.P.H.) from the University of Texas, School of Public Health (UTSPH). He has worked with the TCEQ and the TNRCC for 10 years as a pollution prevention and industry assistance engineering specialist and earlier as an air investigator in Houston. Atiq is a Clean Texas Cleaner World EMS auditor. He has performed numerous EMS audits in various parts of the state and conducted scores of pollution prevention site assistance visits in the Houston and Dallas-Fort Worth areas. As a result of his assistance, many companies initiated: water conservation, waste reduction initiatives, and energy conservation programs. Prior to joining the TCEQ, he worked as a consultant for engineering and environmental companies in Houston. During his career at the University of Texas School of Public Health, he was involved in research projects concerning assessment of water quality in the Gulf Coast areas, and association of leukemia and presence of radionuclides in water resources of northeast Texas. He also worked with the petroleum and mining industries both in the United State and Overseas.

**I hope to see all of you there. As always, non-members are welcome to RSVP and attend. I encourage and challenge each of you to bring a friend.**

Isaac Atkins, CHMM  
President  
Buffalo Bayou Chapter
