Speakers: Randle Bunner, ERM Certification Verification Services

Topic: Environmental Management Systems – The benefits of having an EMS in place

Randy Bunner is the Public Sector Director for ERM Certification & Verification Services, Inc. He's been a certified lead environmental, health, and safety auditor and course trainer with them for over three years. He's a civil engineering graduate of Virginia Tech (1972) and engineering management masters graduate of the Air Force Institute of Technology (1982). He's a retired Air Force Colonel with 13 years experience with large construction projects and over 20 years experience in environmental planning, auditing, training, and risk communication. He currently resides with his wife in San Antonio, TX.

Presentation overview (20 minutes):

- ERM CVS introduction
- What EMS and EMS certification means
- EMS certification drivers
- Getting value from EMS and certification
- Changes to and assistance from the Clean Texas program

I hope to see all of you there. As always, non-members are welcome to RSVP and attend. I encourage and challenge each of you to bring a friend,

Mike Zarella, CHMM
President
